Reading Log #3

Read with your child!

Children who have a love of books and stories are more ready and willing to learn how to read later on. Make books a part of your life! Keep books in the car, in the stroller, diaper bag and all over the house.

Talk with your child! Talking teaches your child how conversations work and makes it easier for them to identify words when they start to read. When getting ready for bed, tell your child the story of your day. Going over the day's events helps children learn how stories work. Talk with during the day about what you're doing, what you're doing next. Identify objects or play I spy!
