Director's Message

Gyms are filled, organizational supplies are in demand and friends and family are vowing to change every aspect of their lives to achieve some lofty goals... it must be the beginning of the new year. While vitally important to look forward and see how we can make things better, it's just as essential that we take a moment to reflect on how much we have accomplished and achieved over the past year. This is no less valuable for each of us as it is for our Library. And 2016 truly was a year of new adventures and milestone celebrations:

- **The Thousand Oaks Library Foundation** received a grant from the Ahmanson Foundation to support the further inventorying of their vast **American Radio Archives** collection.

- The Library hosted school family nights for **Lang Ranch, Conejo and Acacia Elementary Schools**, provided technology demonstrations at **Conejo Recreation**

and **Parks District's Touch-A-Truck** event, **Senior Wellness Fair**, the **Memorial Day Concert** in the Park and **Conejo Valley Days**.

- Our **Children's and Youth Services** team partnered with libraries in Ventura and Los Angeles counties to implement the **Maker-box Collective**, a STEM and STEAM based programming series featuring 3D printing, circuitry, coding, and other science, technology, engineering and math concepts.

- With the support and assistance of our **Friends of the Thousand Oaks Library**, we hosted our first **Halloween Program** at the Brimhall Library.
- Again, with the support of the **Friends**, our Newbury Park Library celebrated the first **Dia de los Muertos** event with music and more from several community partners.
- Working with the **Conejo Recreation and Parks District** and the **Thousand Oaks Police Department**, the Brimhall Library was the first field trip site for the **Safe Passages** program.

Support Organizations

Friends of the Thousand Oaks Library

Love your library? Of course you do! We have one of the greatest libraries of all time! Show your love, and help us keep the Library great by becoming a Friend of the Library. The Friends of the Thousand Oaks Library raise funds through memberships and used book sales to support programs and collections.

Books, e-books, technology, audiovisual equipment, materials, programs, guest authors, concerts, and classes are just a few of the areas funded by the Friends; the 3-D printer and a new outdoor movie screen are two recent acquisitions sponsored by the Friends.

We need your help! Please consider joining the Friends today; memberships start at just \$10/year for seniors. Pick up a membership brochure in the Library, or visit <http://ftol.org/membership/> for more information.

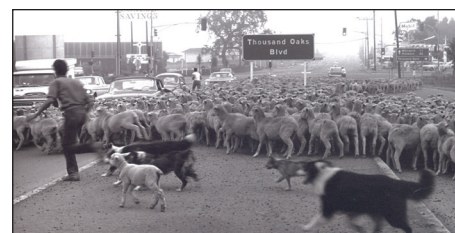

If your New Year's resolution included cleaning, organizing, or downsizing, bring us your used books! We depend on your donations for our daily and biannual book sales, which help us ensure that we can fund every item on the library's "wishlist." 🐾

Bring Back the Past: Ed Lawrence Historical Photos & Local Items Available at the Library Gift Store

How does the Thousand Oaks Library provide so many great and wonderful resources? Many help make these purchases happen. You can be a part of it too! One of the ways you can help is to check out the Thousand Oaks Library Foundation Gift Store located within the Grant R. Brimhall Library, 1401 E. Janss Road, Thousand Oaks. All of the proceeds from the gift store go to support many of the Library's amazing resources. Run by volunteers, the gift store sells wonderful items including jewelry, cards, toys and local and library themed gifts. Recently added to the gift store is merchandise with images from photographer Ed Lawrence. These images are part of the Special Collections department at the Library.

Established in 1983, the Thousand Oaks Library Foundation is a non-profit organization, which supports special projects in the Thousand Oaks Library. Since its beginning, the Thousand Oaks Library Foundation has raised over \$1.5
