BASED ON A TRUE STORY!

A teenager struggles with mental illness
as his mother fights to save him
without losing the rest of the family.

No Letting Go is a dramatic, independent feature film adapted from the award-winning short film, **ILLNESS**, and based on the real-life story of producer and co-writer Randi Silverman and her family. The film is a heartfelt look at one family's journey to understand and to cope with the erratic behavior and emotional instability of their middle son. Directed by Jonathan Bucari. The producers of **No Letting Go** have partnered with **The Youth Mental Health Project**, a nonprofit 501(c)(3) organization, which seeks to promote awareness and understanding of the mental health of children, adolescents, and young adults.
