The Rough & Tumble are as easy to detect as a stray dog on your doorstep – and as difficult to send home. The dumpster-folk, thriftstore-Americana duo, consisting of Mallory Graham & Scott Tyler and their menagerie of classic folk and homemade instruments, have been hobbling around the country in their 16ft camper with their dogs since 2015, taking their songs to the far corners of the US and to the weird little towns they pass along the way. The Rough & Tumble released their latest studio album Howling Back at the Wounded Dog on September 6, 2019.
