Our Children’s programs are very popular. So that everyone may enjoy them, we ask that you observe the following guidelines:

• Please follow the suggested ages listed for each program.
• We make every attempt to begin on time. As it can be distracting to preschoolers and participants, please arrive on time for programs. Doors may be closed and admittance to programs may not be possible after the program is underway (or has started).
• No sign-up for most programs – just come and join the fun!
• Changing tables are available and located in the public restrooms
• Snacks should be eaten outside of the storytime room
• Try to keep small children within arm’s reach
• Our number one rule is to have fun, so if your child is having a bad day (or a bad moment) please step outside so that everyone can continue having fun. You may come back into the room when your child is ready.

For more information, please ask the Children’s Help Desk or call 805-449-2660, option 7; or call the Newbury Park Library at 805-498-2139, option 5.
