

Workplace Bullying: A Growing Concern

This workshop will discuss in person and cyberbullying. It will define bullying and distinguish it from simple rudeness and unlawful harassment, identify strategies for recognizing when it occurs, and address the impact of this conduct on the workplace. The session will provide pragmatic advice for holding bullies accountable for their conduct and for assisting “targets” of bullying in reporting and responding to bullying conduct. The session will also discuss the role of the “bystander” in managing workplace bullying.
