

- 1) Supplies: 1 Toilet paper roll, yellow and black paper, scissors, glue stick, marker
(Note: You can experiment with different colors and designs for all your favorite bugs!)
- 2) Mark the paper to the length of the roll
- 3) Cut paper to this width and apply glue
- 4) Place roll on paper and wrap paper around roll

- 5) Press paper to roll to firmly affix
- 6) Take black paper
- 7) Cut into strip of desired thickness
- 8) Apply glue

- 9) Stick one end of black strip at the seam of the yellow paper and wrap once around roll.
- 10) Cut excess paper
- 11) Repeat for second stripe
- 12) Cut another stripe of black paper for antennae
- 13) Cut strip in half

- 14) Round edges of strips
- 15) Glue to inside of roll
- 16) Take paper for wings, about half the width of roll
- 17) Cut in half

18) Round into wing shapes

19) Glue to back seam

20) Draw a silly face and you're finished! Bzzz!
