

Take the California State Library
Parks Pass Survey and Have a Chance to

Win a State Parks Annual Pass!

After you've used a California State Library Parks Pass, please complete our survey for a chance to win a California Explorer Vehicle Day-Use Annual Pass of your very own! Completing the survey takes about three to five minutes, and your valuable feedback will help us to keep improving the program.

The California Explorer Vehicle Day-Use Annual Pass—valued at \$195 and valid for 12 months—is being provided by California State Parks Foundation. It includes entry to most of the popular Southern California beaches and is honored at most parks throughout the state operated by California State Parks that charge a vehicle day-use fee.
