

# BROWN BAG PRESENTATION

## The Perfect Time to Go Solar: Why and How?

**Helen Cox,**  
**Sustainability Division Manager**

**Friday, March 31**

**Board Room, 12:00 - 1:00 pm**

Helen will present on everything you need to know about going solar at home including system sizing, panels and other system components, costs and financing, choosing your system, and how to get the best price. She will also provide information about a Group Buy program available in Conejo and Simi Valley for a limited time that can save you 10% or more.

Please come and bring your lunch. Join your colleagues for a fun and informative hour.
